

Directions to Saint Luke's Foundation

11327 Shaker Blvd, Suite 600W (near intersection of 116th and Shaker)

If using a navigational system, type in the following address to arrive at the correct entranceway to the former St. Luke's Hospital building (off of MLK): **2721 Martin Luther King Jr Drive, Cleveland, OH, 44104**

If driving, please park in the areas marked in yellow on this map and then walk towards the Easternmost wing of the large red-brick building (the former Saint Luke's Hospital).

As you approach the building on foot, make sure you are on MLK (not Shaker). Walk directly towards the Boys & Girls Club entrance off of MLK and look for the concrete stairs going down towards the building. Follow the curving pathway to its ending point and go inside the building.

Once inside the building, approach the glass doors and use the intercom to call us so that we can buzz you in. Once through the glass doors, go down the hall to your right and use the elevator to go up to the 6th floor. The elevator will open directly into our office.
